Answer

THE MINISTER OF STATE IN THE
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

(SHRI PON. RADHAKRISHNAN)

(a) to (c) Herbertpur, Barkot, Hanumanchatti, Phulchatti (near Yamnotri) is connected by existing National Highway (NH) through NH number 507 (Old NH No. 123) and 134 (Old NH No. 94). However, the balance stretch i.e. Delhi-Saharanpur-Herbetpur, is not part of any NH.
The development and maintenance of NHs is a continuous process. The works on NHs are accordingly taken up depending upon inter-se priority, traffic density and availability of funds. There are eleven ongoing works comprising of strengthening, Road Safety, protection works, etc, amounting to Rs. 64.95 crore on Herbertpur, Barkot, Hanumanchatti, Phulchatti stretch of NHs. The stretch from Barkot bend to Phulchatti (near Yamnotri) of NH 94 is a part of "Chardham" scheme targated for completion by 2020.
